Thank you for rescuing me

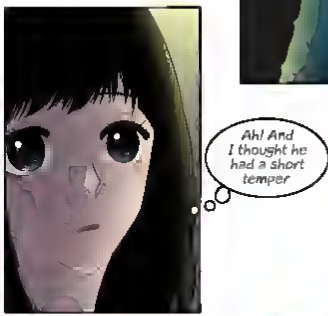
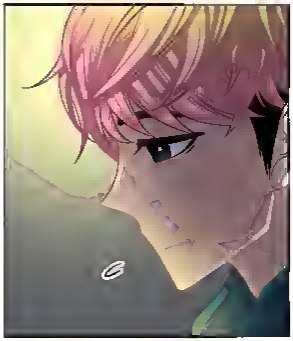
Pfft—

Kukuku
It was a little weird how you suddenly grabbed my hair, but whatever
It's nothing to be sorry for. Don't worry about it.

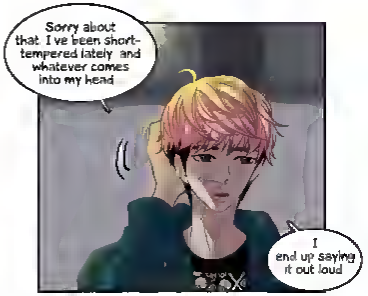


Ah! And I thought he had a short temper

He might be a nicer person than I thought.
Briefly forgot about his sadness.

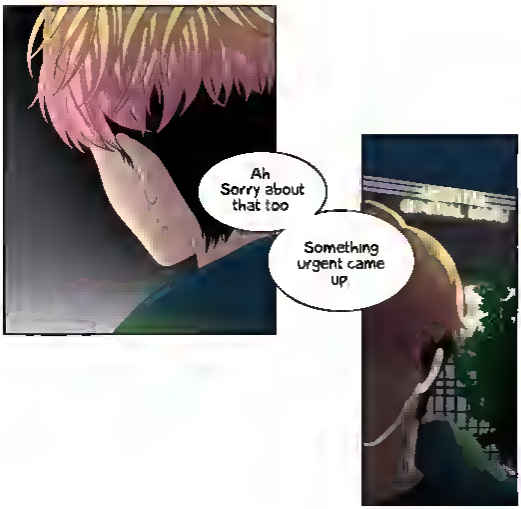


When you grabbed my hair...
You were upset because of what I said to you before I left, right?
Shock..
Ah! Right! I remember

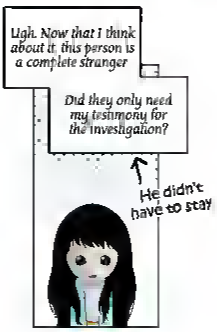


Sorry about that. I've been short-tempered lately and whatever comes into my head
I end up saying it out loud

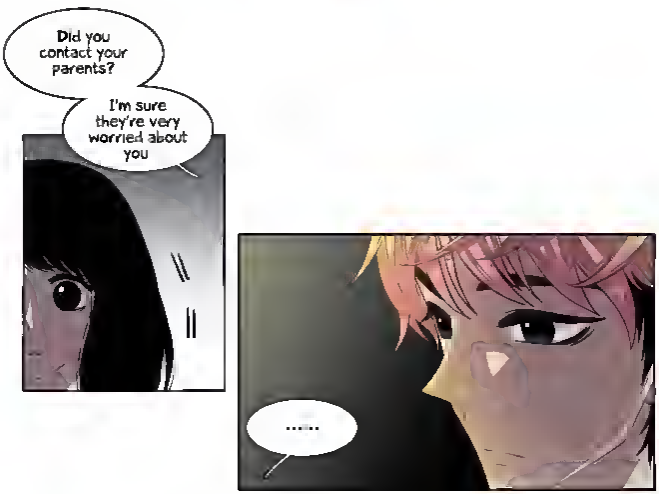
Ah!
Also, how could you just run off like that?
It was scary when I left the police station just now...



Ah
Sorry about that too
Something urgent came up



Ugh. Now that I think about it, this person is a complete stranger
Did they only need my testimony for the investigation?
He didn't have to stay



Did you contact your parents?
I'm sure they're very worried about you
.....

Um... I didn't because... I didn't want them to worry
I thought it would be okay...

Surprised

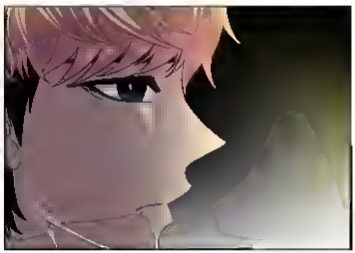
What happened earlier was also because I couldn't ignore him

I hate it, but it happens pretty often.

It seems you're still a tad too innocent
But it's not like you're wrong Staying away helps, but sometimes things just don t work out that way...



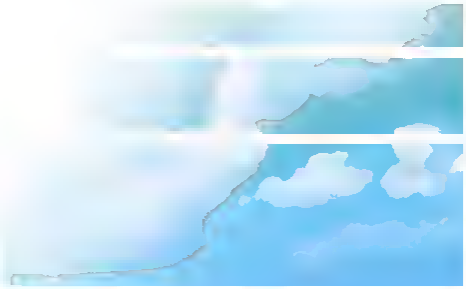
???

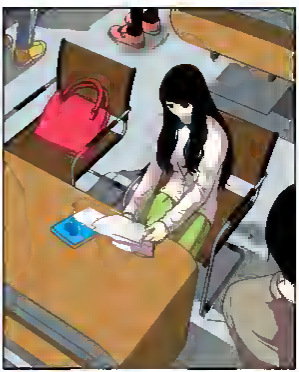
Ah!
I haven't even introduced myself yet
My name is Lee Yurim I attend the local university here
Ah My name's Lim Jooeun

Your name sounds more feminine than mine
My mother had some vision that convinced her I'd be a girl, so she named me before I was born.
Doesn't your company say anything about your hair color?
I'm not employed right now
A NEET...?
I'm just taking a little break.

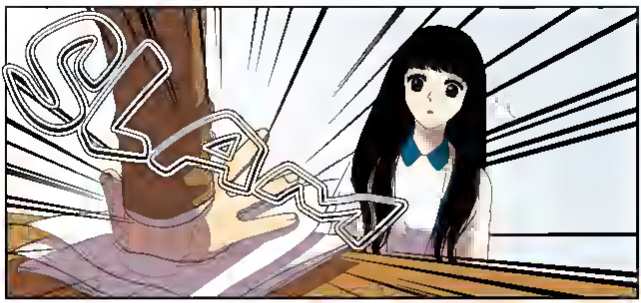
Then what do you do for a living?
You have a lot of questions huh? Is it because you're young?
Ah I'd also like to thank you for your help
That's not necessary

I'll feel better that way
Hmm, I guess somethine to eat would be nice





Thank you for walking with me all this way.
It's no big deal. Be careful and keep your door locked. If you're nervous, it's a good idea to sleep with a dim light on.
I'll be sure to contact you soon.
Coo!!
I should at least thank him for his trouble. That way I'll feel better about it at...



SLAM

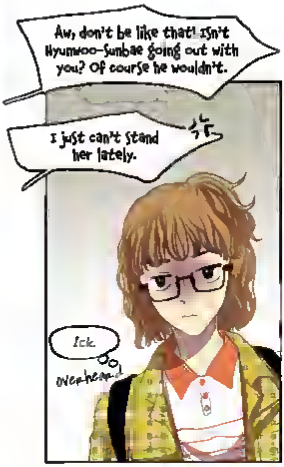
why is Hyunwoo-oppa babying her so much? what if She seduces him?



Aw, don't be like that! Isn't Hyunwoo-Sunbae going out with you? Of course he wouldn't.
I just can't stand her lately.

It looked to me like she didn't even do anything How petty
Getting jealous for no reason. So dumb

And on top of that Byun Hyunwoo is interested in Yurim?
